Dear Mr Penny

Minsters Rail Campaign

At a meeting of the Market Weighton Town Council the plans for the proposed reinstatement of the Beverley to York railway line were discussed at length.

It was the consensus of opinions that the venture would bring economic, social and environmental benefits to the towns and villages along the route, and it was therefore unanimously agreed that the Town Council would support the principle of the project.

We would like to take this opportunity to wish you and the Minsters Rail Campaign Group every success in your endeavours to reinstate the line, and if we can be of any assistance, then please do not hesitate to approach the Town Council in the future.

Yours sincerely,

Kevin Keller
Deputy Town Clerk
